

DEAR CITIZENS:

The Vinton/Roanoke County Veterans Monument Committee would like to extend to the public an opportunity to be part of an exciting historical endeavor. This opportunity is to honor veterans that gave the ultimate sacrifice of their own lives and also to honor “those who serve and those who have served” our country from World War II to the present.

The chosen design proposal is called “High Ground.” A star-shaped walkway will surround and lead to the main part of the monument structure. This walk area will have a brick cobblestone effect to help highlight the elegance of the memorial itself.

The brick style pavers are available for individual purchase in honor of a deceased veteran, someone who serves or has served, or a person one would like to recognize for any reason. Please be sure to fill out the form below in its entirety in order to expedite your order. Be sure to put only one character or space per box.

Thank you for considering a donation to the Vinton/Roanoke County Veterans Monument. Please feel free contact Candye Ann Peters, Assistant Campaign Director, at (540) 525-8449 or Mary Beth Layman, Town of Vinton, at (540) 983-0613.
