Safe Streets and Roads For All 2024 Community Meetings

Open house-style meetings where attendees can come and go as they please

Roanoke County, Botetourt County and the Town of Vinton are collaborating on a Comprehensive Safety Action Plan through the Federal Highway Administration's Safe Streets and Roads for All (SS4A) program with the goal of preventing deaths and serious injuries for all roadway users, including pedestrians, bicyclists, motorists, commercial vehicle operators, transit riders and micromobility users.

Over **400** surveys were completed through the first round of community meetings to comment on high crash areas. The second round of community meetings will focus on proposed projects in each locality to reduce deaths and serious injuries on our roadways. Surveys will be available to provide feedback on the proposed projects through Monday, September 30.
